MATERIAL HANDLING FAQs

The following is a list of frequently asked questions pertaining to material handling and freight services. We strongly recommend that you read this document in its entirety to better familiarize yourself with the processes relating to material handling and freight services.

As the official service contractor, LEVY is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event or in-booth forklift services. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

HOW DO I SHIP TO THE ADVANCE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the number listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts and Shipping Instructions pages. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Shipping Instructions page for warehouse receiving hours.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets. Loose or pad-wrapped materials must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received from Canada Post or USPS that exceed 2 lbs will not be accepted.
- Certified weight tickets must accompany all shipments.
- Advance warehouse freight will be delivered to the booth prior to exhibitor setup.
- Please call the number located on the Quick Facts if you want to ship oversized material that requires special equipment to the warehouse.

HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier (whether sent to the advance warehouse or show site)
- To ensure that your freight does not arrive “collect,” mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event (please refer to shipping label in the exhibitor kit).
- The specific shipping address for either the warehouse or show site can be found on the Quick Facts and Shipping Instructions pages.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is considered separately. The shipment weight will be rounded to the next 100 pounds. Each 100 pounds is considered one “cwt.” (one hundred weight). All shipments are subject to reweigh and are charged a minimum 200lbs.
- On the Order Form, select whether the freight will arrive at the warehouse or be sent directly to show site.
- Next, select the category that best describes your shipment. There are three categories of freight:

Crated: material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.

Special Handling: material delivered by the carrier in such a manner that it requires additional handling, such as ground unloading, stacked and constricted space unloading or designated piece unloading. Federal Express, UPS and all van lines are included in this category due to their delivery procedures.

Uncrated: material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks.

- Add overtime charges for inbound if material is delivered to the booth during the overtime period stated on the Quick Facts and Shipping Instructions pages. This includes both warehouse and show site shipments.
- Add overtime charges for outbound if material is loaded onto the outbound carrier during the overtime period stated on the Quick Facts and Shipping Instructions pages.

- Add the late delivery charge listed on the Order Form if the shipment is accepted at the warehouse or at show site after the deadline date listed on the Quick Facts and Shipping Instructions pages.

- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.
- Shipments received without receipts or freight bills, such as UPS and Federal Express, will be delivered to the booth without guarantee of piece count or condition.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up “Storage Labels” at the Service Center. Place a label on each container. Labeled containers will be picked up periodically and stored in non-accessible storage during the show.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.
- *Please note that LEVY will assume no liability for interrupted travel plans due to the length of time required for the empty container return. It is the responsibility of the exhibitor to schedule travel plans accordingly.*

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Service Center at show site for your shipping documents. The Material Handling Agreement and labels will be processed and available prior to show closing.
- If you have arranged shipping through an outside carrier, you are responsible for all documents and labels.
- After materials are packed, labeled, and ready to be shipped, the completed Material Handling Agreement must be turned in at the Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts and Shipping Instructions pages for specific dates and times. In the event your selected carrier fails to show on final move-out day, your shipment will be rerouted and delivered back to the warehouse at exhibitor’s expense. Exhibitor will be contacted for further instruction.
- For your convenience, show-recommended carriers will be on site to handle outbound transportation.

WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Order Form for available equipment.
- Advance and show-site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by LEVY are subject to the enclosed Terms and Conditions.

TERMS AND CONDITIONS OF SERVICE

(Please Read Carefully)

All shipments to or from the Exhibitor will be handled by Levy Show Service Inc. "LEVY" and the RELEASEES on the following terms and conditions. No agent or employee of either party may alter or waive any of the following terms and conditions.

CHOOSING ROUTES AND AGENTS

LEVY and the RELEASEES shall have complete freedom in choosing the means, route and procedure to be followed in the handling, transportation and delivery of the goods. Advice by LEVY and the RELEASEES to an Exhibitor that a particular person or firm has been selected to render services as to the materials shall not be construed to mean that LEVY or the RELEASEES warrants or represents that such person or firm will render such services.

SERVICES RENDERED BY RELEASEES

LEVY is authorized to select RELEASEES as may be required to transport, store, deal with and deliver the goods, all of whom shall be considered agents of the Exhibitor. The goods may be entrusted to such parties subject to all conditions of this transportation document, and to all rules, regulations, requirements and conditions (including limitations of liability for loss, damage, expense or delay), whether printed, written or stamped, appearing in bills of lading, receipts or tariffs issued by such RELEASEES and others. LEVY undertakes only to use reasonable care in the selection of RELEASEES and others to whom it may entrust the goods for transportation, cartage, handling, delivery and/or storage or otherwise.

INDEMNIFICATION FOR SERVICES RENDERED BY RELEASEES

The Exhibitor agrees to indemnify and hold harmless the RELEASEES against any claim or legal action taken against the RELEASEES, including but not limited to: fines, penalties, liquidated damages and/or other money due arising from a shipment of materials of the Exhibitor assessed by any carrier, country, governmental agency or other person against the shipment because of the failure, or alleged failure, of the Exhibitor to comply with any laws, rulings, requirements of any country or governmental agency including but not limited to, increased duty, liquidated damage, penalty, fine or expense, together with reasonable expenses, including attorneys fees in connection with defending the claim or action and obtaining reimbursement from the Exhibitor, resulting from any act, inaccuracy or omission or any failure to make timely presentation even if not due to any negligence or fault of the Exhibitor. The confiscation or detention of any Exhibitor's materials by any country or governmental authority shall not affect or diminish the liability of Exhibitor to LEVY and the RELEASEES to pay all charges or other money due promptly on demand.

SHIPMENTS SUBJECT TO REWEIGH/REMEASUREMENT

Exhibitor shall provide weight and measurements for its shipments to LEVY or the RELEASEES as the case may be. Shipments are subject to reweighing and remeasurement by LEVY or the RELEASEES at their discretion. If dimensional weights apply under tariff rules, dimensions shall be shown as follows, Length x Width x Depth = Cubic Inches (or applicable unit measurement.) If the weight or measurements of the Exhibitor's materials as delivered are different from Exhibitors representations, or if pick-up or delivery time or location is changed by Exhibitor, LEVY and its RELEASEES reserve the right to refuse pick up or delivery or vary rates, charges and fees of shipment.

EXHIBITOR'S DUTY TO FURNISH AND WARRANT THE ACCURACY OF CUSTOMS INFORMATION

On an import or an export, at a reasonable time prior to the shipment or arrival of any Exhibitor materials to Customs, the Exhibitor shall furnish to LEVY in the proper language, form, and number, all invoices and documentation that may be useful and/or required by the laws and regulations of the countries of destination and entry. The Exhibitor shall be bound by and warrant the accuracy of all invoices, documents and information furnished to LEVY by the Exhibitor or its agents for export, import or other purposes. It is the Exhibitor's responsibility to know and comply with all classification, valuation, marketing and other Customs requirements, laws, regulations and rulings, enforced by any country or governmental agencies having jurisdiction over a shipment. Where a bond is required by a country or governmental agency to be given for the production of any document or the performance of any act, the Exhibitor shall be deemed bound by the terms of the bond notwithstanding the fact that the bond has been executed by LEVY and/or the RELEASEES as principal, it being understood that LEVY and the RELEASEES entered into such undertaking at the request and on behalf of the Exhibitor, and the Exhibitor shall indemnify and hold LEVY and the RELEASEES harmless for the consequences of any breach of the terms of the bond.

SERVICES RENDERED BY LEVY

When LEVY carries, stores or otherwise physically handles the Exhibitor's materials, including in the performance of any local pick up or delivery service, and loss, damage, destruction, disappearance, and/or theft occurs during such activity, LEVY assumes no liability, unless at the time of the loss, damage, destruction, disappearance and or theft of the Exhibitor's materials, LEVY had actual custody or control of the Exhibitor's materials and the damages alleged to have been suffered are proven to be caused by the gross negligence or wilful misconduct of LEVY, its officers or employees, in which event the limitation of liability set forth in paragraph 7 shall apply. It is specifically declared that LEVY shall not be responsible for loss damage, destruction, disappearance, and/or theft of the Exhibitor's materials after the materials have been delivered to the Exhibitor's booth, nor shall LEVY be responsible for loss, damage, destruction disappearance and/or theft before the materials are picked up from the Exhibitor's booth for reloading after the show. The condition, count and content of the materials found at the time of local pick up or delivery or in the booth at the time of the actual removal as determined by LEVY or the RELEASEES shall be final and binding and the right is reserved by LEVY and the RELEASEES to alter the Exhibitor's transportation documents to reflect the actual condition, count and contents of the Exhibitor's materials.

LIMITATION OF LIABILITY FOR SERVICES RENDERED BY LEVY

LEVY and the RELEASEES do not know of the quality, condition, contents and value of the goods stored except as declared and described on the face of this transportation document by the Exhibitor. LEVY does **NOT** insure goods described on this transportation document. Without limiting the generality of the foregoing it is specifically declared that: all goods are handled at the Exhibitor's risk of loss, damage or delay in delivery caused by or through the inaccuracies, obligations or absence of marks numbers, address or description, act of God, acts of terrorism, irresistible force, enemies of the Queen, civil or military authorities, insurrection, riot, strikes, picketing or any other labour trouble, water, stream, fire, frost, vermin, heating or corruption, deterioration, drainage, dampness, rust, decay, collapse of the building, inevitable accident, depreciation or perishing by elapse of time, changes in temperature, contact with odours from other goods, inherent defects, lack of any special care or precaution, injury to articles insufficiently protected or arising from the nature of the goods, loss in weight, insufficient cooperation, boxing, crating or packing ordinary wear and tear in handling, leakage, concealed damage or any cause beyond the control of LEVY or failure to detect any of the foregoing. All storage, handling fees and other applicable charges and costs must be paid by the Exhibitor on goods stored and lost or damaged as a result of the above causes. In connection with all shipments, the Exhibitor agrees that the legal liability of LEVY, shall be strictly limited to the lessor of **\$50.00 CDN per item lost, stolen, damaged or destroyed** or **\$500.00 CDN per shipment** whichever is less, unless the Exhibitor specifically requests a higher limit in writing and declares an excess in value, in which case LEVY may at its option, accept liability and assess an additional charge to costs of storage, handling charge or other applicable rate. LEVY shall not, in any event or under any circumstances, be liable for any claim of any type whatsoever with respect to the Exhibitor's materials unless the claim is presented in writing within a reasonable time, not exceeding **30 days** after the Exhibitor learns of, or, in the exercise of reasonable care, should have learned of the loss, damage or destruction of the Exhibitor's materials. It is specifically declared and the Exhibitor agrees that LEVY shall not

GENERAL LIEN ON ANY EXHIBITOR'S PROPERTY
